

High Performance Insurance

Save BIG on your High Performance Boat Insurance

High Performance Boat Insurance covering *FAST* for over 20 years!

At high speeds, there is no room for error. Going fast requires focus, a high level of competency, and state-of-the-art equipment. You shouldn't expect any less from your performance boat insurance company.

For over 20 years, Markel has insured more go-fast boats with our high performance boat insurance than any other performance boat insurance company on the water. Markel's high performance boat insurance covers a wide range of Cat and Vee hulls, capable of eye-watering speeds.

Markel Marine provides:

- Dedicated Marine Underwriters & Claim Specialists providing prompt responsive service
- Creative solutions for standard and unique marine risks
- A solid network of experience Marine surveyors and Maritime attorneys
