

Tradesman Rental facility insurance

Tradesman - Rental facility insurance

The Markel Marine Tradesman rental insurance program has been designed to provide flexible coverage options for owners of rental facilities. Rental facility owners are exposed to significant risks and liabilities. Markel knows that protecting their investment and assets is a priority; it's our priority, too.

Tradesman Loss Control

As a leader in the rental segment, we share important educational information and risk management tools to support our customers and their safety plans.
